

New User Friendly Website for Merry Go Hound Pet Styling Latest Release for solizcre8tive.com

WINTER SPRINGS, FL (September 5, 2008) – Merry Go Hound Pet Styling, a dog grooming salon, announced today the launch of their new website at www.merrygohoundgrooming.com. The site was designed and created by solizcre8tive.com.

Located in Winter Springs, FL, Merry Go Hound is a full service salon welcoming all breeds. They specialize in breed specific styles on pure breed dogs to enhance and create styles for the mixed breeds.

The new website gives users a chance understand the dog grooming business and view what services Merry Go Hound has to offer. Users can also schedule appointments online for easy convenience. Merry Go Hound also offers retail products for your entire pet grooming needs.

“Our newly designed and customer friendly site will allow new and existing clients to better understand the services we offer and the professionalism with which we care for their pet,” said Nancy Korn, owner of Merry Go Hound. “Allowing the client to have another medium with which to be informed and feel comfortable about their choice in groomers is very important to us in this day and age”
